 Prefers not to answer or don't know

INFORMED CONSENT TO TREATMENT

I certify that I am the patient or legal guardian of the patient listed above.

I Instruct the chiropractor to deliver the care that, in his or her professional judgement, can best help me in the restoration of my health. I also understand that the chiropractic care offered in this practice is based on the best available evidence and design to reduce or correct vertebral subluxation. Chiropractic is a separate and distinct healing art from medicine and does not proclaim to cure any named disease or entity.

I have reviewed and been offered a copy of this office's Notice of Privacy Practices. I understand that I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to conduct, plan and direct my treatment and follow-up among the health care providers who may be directly and indirectly involved in providing my treatment, obtain payment from third party payors and to conduct normal health care operations such as quality assessments and accreditation.

I authorize Chiropractic Caring For You through its vendor Texting and Email Service to contact me by SMS text and/or email message to better serve me with timely reminders about needed doctor visits and information to help me manage illnesses as well as appointment confirmations. I may opt out of receiving these communications at any time by calling this office or by replying 'STOP' / 'UNSUBSCRIBE' to any message.

I acknowledge that any insurance I may have is an agreement between the carrier and me and that I am responsible for the payment of any covered or non-covered services I receive.

FOR WOMEN OF CHILD BEARING YEARS: I realize that an X-ray examination may be hazardous to an unborn child and I will confirm the date of my last menstrual period with the doctor.

To the best of my ability, the information I have supplied is complete and truthful. I have not misrepresented the presence, severity or cause of my health concern.
